## How Does The Plan Work?

- Step 1** Choose your Sum Assured  
Decide on the level of protection by choosing the sum assured you need to safeguard your family's financial future.
- Step 2** Choose your Policy Term (Policy Term and Premium Payment Term are equal under this product)  
Select the period for which you want to get life insurance protection. You need to pay premiums throughout the policy term to continue your life cover.
- Step 3** Choose your Premium Payment Frequency  
Depending on your convenience you can choose to pay your premiums either monthly, quarterly, half-yearly or yearly.
- Step 4** Answer the Health Questionnaire as per your health status.  
Your premium will be based on your current age, gender, sum assured, HbA1c level, smoker status, health status, policy term, premium payment frequency, etc.
